

Rank Advancement and the New 100th Anniversary Boy Scout Handbook

The Winnebago Council Scout Office has been receiving many questions regarding how to implement the new requirements included in the new 100th Anniversary Boy Scout Handbook. After speaking with the National Office, here is the official rule regarding rank requirements.

All Boy Scouts currently working on any rank may continue to work with their current Boy Scout Handbook using the requirements listed within. If a scout starts working on their next rank on or after January 1, 2010, they should follow the requirements listed in the NEW 100th Anniversary Boy Scout Handbook.

If you have any questions regarding this issue, please call the Waterloo Scout Office at 319-234-2867, or contact your respective District Executive.
